## **Commitment expected**

When students sign up to a club, we will assume they are signing up to attend for the whole term, or for the remainder of the term from the point at which they sign up.

## **How to sign up for a club**

Written notification from parents is required please. To help us maintain accurate attendance registers and because of the costs, a student needs your written permission to attend a club (with the exception of Senior Homework Club). If you would like your child to attend a club for the first time please email the office in advance of the first club session your child would like to attend. [office@heritageschool.org.uk](mailto:office@heritageschool.org.uk)

## **Cost**

The price per term is identified in the schedule. For ease of administration, we expect a commitment for the whole term. Your child's account will be charged accordingly.

## **Collection arrangements**

Departure and collection for every club will only be from the front of the building – either the front door of no.17 or of no.18. Cyclists will need to walk around. The person operating the club, or another teacher by arrangement, will bring students attending their club to either of those front doors. Generally, clubs involving Infants or Juniors will depart from the front door of no.18, and clubs involving Seniors will depart from the front door of no.17.
