A remarkable independent day school in the heart of Cambridge for boys and girls aged 4-16

What makes **Heritage** unique

We have high expectations of all our pupils, and achieve very good exam results, but there is so much more to education than just exams.

We want our pupils to:

- **Enjoy a knowledge-rich curriculum** that celebrates beauty, creativity and excellence and takes advantage of all that Cambridge has to offer;
- **Develop the habit of attentive engagement** in our calm, low-tech and purposeful learning environment where books, nature and real world activities are prioritised over screens;
- **Take ownership for their learning** and make the most of opportunities to go further;
- **Grow into young people of character** who are resilient and wise and able to manage themselves and their relationships well, and so contribute to the common good.

All of this is inspired by the high ideals of the Christian faith and is possible because of the personal attention pupils receive from our dedicated teachers in small classes.

A Heritage education enables pupils to embrace all that life has to offer.
